

DISCOVER NORTHWEST ALABAMA

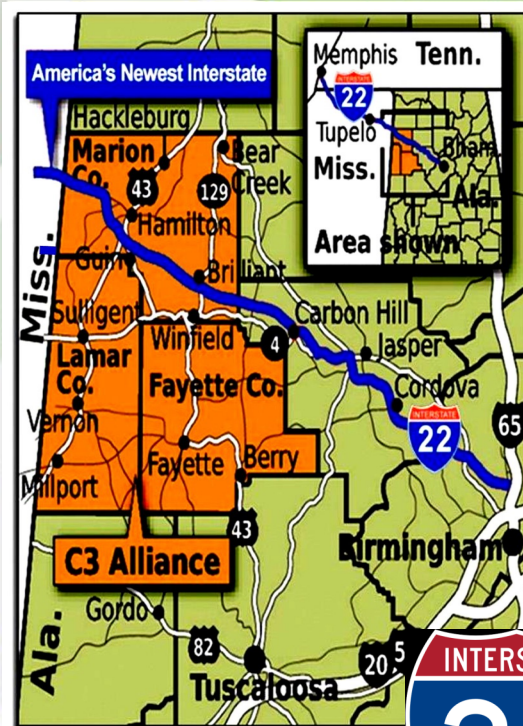

The **New Hub** of the Automotive South

Proximity - Located on I-22, the nation's newest interstate, connecting Memphis to Birmingham and beyond.

Productive People - In our area we know how to make things. You will find a deep talented and affordable labor pool with 28% who are engaged daily in manufacturing (3x the national rate). The civilian labor force in our 3 counties and those adjacent exceeds 140,000.

Profitability - In a rural environment your money simply goes further. Labor, facility costs, taxes, and other expenses are substantially less than in metro areas.

Possibilities - With certified sites, multiple available buildings, a welcoming environment, and a high quality of life, there are many reasons to discover the C3 Region of Northwest Alabama
