

Logistics, Distribution, & Warehousing

Location, industry, and potential. Northwest Alabama has the resources to support your industrial logistics and distribution channels in the Southeast, Midwest, Mid-Atlantic, and Southwest United States – and our potential is just getting started. With a strong manufacturing base, the recently completed I-22 corridor, and established distribution channels, Northwest Alabama is your ideal logistics, distribution, and warehousing partner.

Location

Strategically located on the I-20/I-22 corridor, halfway between Memphis and Atlanta, our position provides your industrial distribution projects with easy access to the entire Southeast. From Northwest Alabama, you can reach Chicago, Dallas, Charlotte, Charleston, and Jacksonville FL within a one-day truck trip. You will gain easy access to the best of city life and resources, without losing our signature small-town charm. You have the privacy and affordable rates of our small-town communities, but you are never far from the resources and recreation of a city. When you choose Northwest Alabama, you never have to worry about limiting your access.

30 miles to the Port of Itawamba on the Tennessee Tombigee Waterway, with barge access to the Port of Mobile.
